The Director of Community Projects and Ex-Officio Secretary to Government, Fort St.George, Madras 9.

.....

Sir,

COMMUNITY PROJECTS - Project works - Contribution in the shape of labour - Supply of implements to labourers.

....

Some of the poor villagers who are willing to offer contributinn in the shape of manual labour for Project works have no implements like Pickaxes and spades of their own. The want of these implements in sufficient numbers has retarded the progress of road work. It is not possible to borrow implements from local ryots and make them available to the villagers when the ryots themselves do not possess Pickaxes and crow bars & spades in excess of their requirements. It is therefore proposed to purchase 50 pickaxes and one Hundred Spades and stock them for supply to labourers who have no implements of their own for works undertaken by the Community Projects. The cost of pickaxes is estimated at Rs. 6/- each and that of Spades at Rs. 4/- each. I request sanction may be accorded for the purchase of fifty Pickaxes and hundred spades at a total cost of Rs. 700/- locally.

50 x 6 = 300
100 x 4 = 400
700

The cost of these articles should be charged to Works in two cases by debiting a/c Expdr. contb. 9/2/53

Abstract.- Community Projects - South Kanara District area - Contribution in the shape of labour - Implements to labourers - Supply of - Sanctioned.

Read.- From the P.E.O., Mangalore Ref.No.265/53, dated 3-2-'53.

ORDER.-

It has been represented by the P.E.O., Mangalore that some of the poor villagers who are willing to offer contribution in the shape of manual labour for project works have no implements like pick-axes and spades of their own, with the result that the want of these implements in sufficient numbers has retarded the progress of road works. He has therefore applied for sanction for the purchase of 50 pick-axes and one hundred spades at a cost not exceeding Rs.700/- and stock them for supply to labourers who have no implements of their own for works undertaken by the Community Projects.

2. Sanction is therefore accorded to an expenditure not exceeding Rs.700/- (Rupees Seven hundred only) for the purchase of fifty pick-axes and one hundred spades for the temporary use of labourers engaged in Project Works.

3. The expenditure should be debited to "63-B. Community Development Projects - II Community Projects - Communications".

No.2348/53

Sub: Community Projects - South Kanara District Area - Contribution in the shape of labour - Supply of implements to labourers.

Ref: From the P.E.O, Mangalore, Ref.No.265/53 dated 3-2-53.

Please see the letter from the P.E.O., Mangalore in the c.f. He has reported that some of the poor villagers who are willing to offer contribution in the shape of manual labour for Project works have no implements like pickakes and spades of their own and that therefore the progress of the road work, has been slowered down. It is also reported that the other ryots cannot also spare their implements as they do not possess ~~them~~ them in excess of their requirements.

The P.E.O. in this connection has proposed to purchase 50 pickakes and 100 spades and stock them for supply to labourers who have no implements of their own for works undertaken by the Community Projects- The cost of the pickakes is estimated at Rs.6 each and that of spades at Rs.4/- each and the P.E.O. requests sanction for Rs.700 to purchase locally 50 pickaxes and 100 spades. No other P.E.O. has come up with such a request.

It is submitted that every estimate has got a provision at about 2½% each for contingencies and petty supervision charges. The P.E.O. may purchase the implements required from out of his provision under each work and acquire the materials up to the required quantity. It seems that no separate sanction ~~may be given for their purchase need be given.~~ For orders
